

## Project

Name: \_\_\_\_\_

Grade: \_\_\_\_\_

### Activity: Design a Garden Path

1. Start with an Outline. Use a garden hose to outline where you want your path to go. ...
2. Make It Wide Enough. Make your garden path at least 4 feet wide (left). ...
3. Add Some Curves. Include a few, subtle curves in your path. ...
4. Choose Appropriate Materials. ...
5. Add Lights. ...
6. Have Your Path Lead Somewhere. ...
7. Choreograph Color.
