- A cleaning brush and gloves
- Paper and pens or pencils
- Explain that gardeners need tools to help them with their gardening tasks.
- Ask your group to pick up a tool and guess what it is used for in gardening. Let them practice with it in a bed or growing area.
- Name the tool and its gardening uses - ask a member of your group to demonstrate how it is used.
- Repeat this with other tools and let others have a turn.
- Discuss why it is sensible to have a safe area where tools are stored when not in use, located by a **tool stop sign**.
- Demonstrate how to carry and work with tools safely, and to clean off tools with a brush at the end of a session.
- Ask your group to pick out the broken tool and state why it is unsafe to use.

Wrap up (5mins.): Wind up the lesson by asking the students to differentiate between trees and shrubs.
